Hey Kris, I just tried calling you but nobody answered. Would you please call me at my office (number below) to discuss? These calcs are provided in the previously sent excel file, they're just a bit hidden.

Thanks,

Hi Kris,

Seems there isn't the calculations for Tables F-9 through F-11 of the Fact Sheet which are the table summaries of the shoreline, nearshore and offshore enterococcus data. Can you please send them to me?

Thanks again.

Hi Kris,

Can we obtain the current calculations in Excel as we had in the past such as:

- i) RPA analysis (Table F-5)
- ii) Nutrient and bacteal geometric calcs (Table F-9, F-10 & F-11)
- iii) Plant historical data (Table F-2 & F-3)

We will let you know if there are others we missed.
